### Chamber Recognizes Stewart M. Small

Chamber President Chris Vulpis has announced the selection of Stewart M. Small as "Member of the Month. A Financial Services Representative with the Lake Success Financial Group of MetLife, Stewart has become an integral part of the Greater NHP Chamber. In January, he was installed as a Vice President of the Chamber and recently joined Richard DeMartino as Co-Chair of the Membership Committee.

Stewart came to his first Chamber meeting less than two years ago and quickly became part of the new growth phase the organization has experienced. He has worked diligently to build membership and create new opportunities for all Chamber members to benefit by their continued involvement.

When asked about his business philosophy Stewart said, "My goal is to provide families and business owners with assistance in building their financial freedom. I have the skills, knowledge and experience required to help meet my client's established goals. My personal goal is to become a lifetime resource for each and every client."

Stewart and his wife Susan have lived in the New Hyde Park area for over twenty years. They enjoy the benefits of living in

this wonderful community with their four children. Susan, an artist maintains a studio in their home and is currently working on a children's book. See her artwork at [www.susanruthcohen.com](http://www.susanruthcohen.com). For enjoyment, Stewart plays the oboe with the Nassau Community College Concert Band.

As Stewart often tells prospective Chamber members, "I appreciate the opportunity the Chamber provides to connect with my neighbors and local business leaders. Together we can work to make a difference in our community and help each other achieve greater success in business."
