

Ryan McGowan

GEICO / Local Office of New Hyde Park

I started in the insurance industry three months after graduating from Chaminade High School and have spent my entire career with GEICO holding various positions and responsibilities over the past 36 years in their Woodbury, Buffalo, and Washington DC offices. For nearly five years, I have had the privilege of owning and operating the GEICO Exclusive Agency in New Hyde Park with my wife Eileen. Between the two of us, we have over 75 years in the insurance industry and together with our staff of licensed insurance agents, we offer a great deal of experience to our clients.

Our GEICO Exclusive Agency is proud to serve New Hyde Park and the surrounding communities in Nassau and Queens. We are licensed in New York, New Jersey, Connecticut and Pennsylvania and can offer an array of insurance products in all those states including auto, home, motorcycle, condo & co-op, renters, boat, jewelry, umbrella and more. For the last two years our agency has been recognized by GEICO with the Most Valuable Partner award and earlier this year, we were honored to be recognized by GEICO Management as a top 3 agency in the country in GEICO's agency program.

Since our agency opened in 2022, our team has made it a priority to be actively involved in the communities we serve and to give back by supporting organizations whose work makes a meaningful difference. We are proud sponsors of various events including Making Strides of Long Island, Walk Like MADD, The Katie McBride Foundation, Toys for Tots, and Section VII / Nassau County High School Athletics. We are also actively involved each year with the Chamber of Commerce food drive, Island Harvest, the Nassau County Veterans Food Pantry, and the local VFW.

I have had the honor to serve on the Greater New Hyde Park Chamber of Commerce board of directors for the past two years and be selected as the chamber's 3rd vice president this past January. Additionally, I am humbled to serve on the NY, NJ, & PA Regional Advisory Board for Mothers Against Drunk Driving. Having been a victim of the actions of a drunk driver, I am very proud of the work we do on the advisory board to eliminate these senseless tragedies.

On the personal side, I was born in Glendale, raised in Levittown, and spent a considerable amount of my youth in New Hyde Park where my grandparents resided for most of my childhood. I am a graduate of Chaminade High School and St. John's University. I have been married to my wife Eileen for the past 10 years and I am the proud stepparent to Rose and Richie.
